

Year 2

Geography:

We will be learning about our 7 Continents in Human and Physical Geography.

R.E

We discover what it means to belong to a faith community and why Easter matters.

DT.

In DT we will cut wood using hacksaw and vice. We will learn how to add wheels and axles to make a moving creation. Finally, we will use sand paper to smooth rough edges.

ART

In Art we will be working with the artist on a new project using sculpture.

This half term we will get to find about..

'Our Wonderful World'.

English:

We will write information texts about Our World. We will be writing setting descriptions, retells and character descriptions. We will develop our reading through retrieval practice. We will work hard developing our comprehension skills as well as having a big focus on spelling, grammar and punctuation.

Personal

Development:

During this time, we will be focusing on Families & Friendships

White Rose Maths

We will be learning about money. We will know how to multiply and divide using concrete objects, pictorial representations and also do this mentally. We will learn about length and height. We will also be learning about mass, capacity and temperature.
